20. The Butler Committee. All Travancore is interested in the committee, presided over by Sir Harcourt Butler, which has been appointed to examine the financial and economic relations between the British Government and Indian States and the treaties and engagements subsisting between them. We are examining our records and preparing a statement of our position.

21. Conclusion. We have now travelled all round tranquil Travancore and its administration. "Circles, though small, are yet complete." That is what we proudly feel of Travancore. Set in the centre is our Maharani, radiating wisdom, courage, goodness, and a warm love to all her peoples. The patient light is to me, her Minister, a beacon ever showing the way to justice and to righteousness. Her Highness rules. And so a blessing lies upon this land.

The Dewan then announced that Dewan Bahadur M. Krishnan Nair Esq. and Dewan Bahadur T. Raghaviah Esq., C. S. I., former Dewans of Travancore, had sent their greetings to the Assembly.

The Assembly adjourned at 12-45 P. M. to meet again at 11-30 A. M. on Tuesday the 28th February 1928.
